Element A

**Make all sorts of
different sounds
to catch my
attention**

Card
1

Try making sounds with your voice, your body and objects in the environment:

- hum, holler, hoot, whoop and whisper
- clap, tap, stamp, click and scratch
- rustle paper, rattle containers, clank chains and thwack plastic pipes
- make sounds that are high or low, long or short, bright or dull
- make sounds that stay the same, or change by going up and down or getting louder and quieter
- make sounds in front of me or behind, from the left or the right, stationary or moving
