

Interactive

Level 3

Element B

**Copy the sounds I  
make with everyday  
objects and  
instruments**

Card  
**26**

## **Copy the sounds that I make and show me that I can influence what you do:**

- copy the sounds and patterns I make on instruments or other soundmakers
- use the same instrument or object at first, so I can easily tell what is happening
- next, use a second soundmaker or instrument that is the same as mine
- let me see or feel what is happening
- now use a *different* instrument to copy the *same* pattern
- swap instruments!
