

Interactive

Level 4

Element B

Play 'call and response' games with me using instruments or technology that responds to movement

Card
42

Transfer the 'call and response' phrases onto instruments:

- try doing short rhythms first, clapping, tapping and slapping
- next transfer the short rhythmic bursts to percussion instruments or other soundmakers
- try doing the same activity with melody instruments...
- send three or four note phrases to and fro between us – sing along at first
- next, just use instruments
- you lead first, then let me have a go
