Real-ly just a whis-per,      e - cho-ing a - round.      And then you  
*getting louder*

Chords: C      Notes: G G G G      Chords: G G<sup>7</sup> C      Notes: C C C C

play as loud-ly as you can,      here a crash and there a bang.  
*very loud*

Make a rack-et, make a din,      bet-ter put your ear-plugs in!

Vocalising and singing may be involved as well as instruments or other soundmakers. Children and young people may make contrasting movements: tapping gently with their toes and then stamping their feet, for example.
